

**RR 8.760**  
Front Load Roti Roaster

## DESIGN

Modern and elegant with its "ROTISSERIE" screen-printed glass doors, the powerful interior lighting will enhance your products during cooking. Thanks to the option of 2, the panoramic view will be an additional asset to appeal to the appetite of your customers.

## PERFORMANCE

Easy to use, this rotisserie has proved itself in terms of robustness, with its high output, cooking speed and its exceptional roasting qualities.

## CLEANING

This rotisserie will become your best asset thanks to its assisted cleaning technology with a powerful injection of steam, softening the cooking grease. Followed by the high-pressure shower with softened water, making cleaning fun and without leaving any residual marks. A high-temperature bag placed in the mobile container allows the retrieval of cooking fat for a clean disposal.

## ENERGY & COST- EFFICIENT K-GLASS

Featuring insulated, double-glazed K-GLASS doors, the Roti Roaster and Star Clean are engineered for optimal energy efficiency. The inner pane has a specialized thin metal coating that regulates heat transfer, offering exceptional resistance to thermal radiation. This design enhances energy efficiency, lowering operational costs and contributing to significant savings. The glass also minimizes heat emission in the kitchen, improving comfort for your team, and enhances safety by preventing burns upon contact with the door surfaces.

Front Load Star Clean

## TECHNICAL CHARACTERISTICS

- Energy-efficient heating element (significant financial gain).
- Fully insulated with rock wool (Bio-soluble aluminum encapsulation).
- K.Glass thermal double glazing mounted on silicone seal (anti-scald front panel).
- PVC ¼ turn heat resistant locking drain handle.
- Halogen lighting
- Automatic cooling of heating turbines after switch off (safety of technical components).
- Integrated 3.93 inches deep grease pan (cooking root vegetables).
- Built in recipe library or design your own.
- Easy drainage of grease pan directly into the built in removable tub.
- Automated emptying of wastewater after cleaning.
- Supplied with cooking baskets.
- Built in recessed worktable.
- Touch screen control panel.
- USB connection for data and program transfer.

## TOUCH CONTROL PANEL

- 5-inch IPS touchscreen control panel.
- Simplified main menu.
- 4 categories of pre-recorded programs.
- Time and temperature programming.
- Cleaning and maintenance menus.
- 99 programmable recipes.
- Alarm at the end of the cooking process and auto hold at 145°F. for up to 2 hours.
- Steam/automatic cleaning program.
- Detergent and descaler management.

## ACCESSORIES

included with Star Clean

### BG2

Grease tub + base with castors

### DOUCH

High pressure nozzle for cleaning

optional for Star Clean

### BRITA.2

Water softener

### SAC

Heat Resistant liner (grease collection)

optional for Roti Roaster & Star Clean

### BALMC760/560

Basket for poultry

### PD760/560

Vegetable tray

### BAP760/560

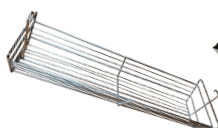

Small cuts basket

### PLC760/560

Cooking basket

### CAP5.560/8.760

Ventless hood for indoor use, equipped with removable and activated carbon filter
